You must be a member of TEXTELCU with a checking account to request a check order. You will need to know the style code of the checks you request. Style codes can be found by clicking on a specific check image or on the [Check Order Website \(https://reorder.libertysite.com/login.asp\)](https://reorder.libertysite.com/login.asp). You may order one, two, three or four boxes (175 checks per box) at one time. Check order charges will be automatically deducted from your checking account. Each box includes deposit slips and a check register. You may also choose specific typestyles, monograms and accents at no extra charge. You will need to know the code of the item you request. Please determine the starting check number for reorders. In general, the starting check number for new orders should not exceed 300. Please sign the Check Order Form for verification of your order. Incomplete check order forms may not be processed. You should receive your checks within five to seven business days after your Check Order Form has been received. If you have additional questions regarding your check order please contact our office or send us an email from the Contact page.

Checks come in boxes of 150  
6 pads of 25 each pad
