DIRECTOR'S REPORT

Welcome to the 67th annual meeting of Texas Telcom Credit Union. I want to thank you for being here, and I applaud you for being truly connected member-owners.

I want to first recognize my fellow board members for their leadership, dedication, and passion for this credit union. The strength of their commitment is key to our long-term sustainability and prosperity. And to our members, I'm greatly humbled by the trust you've placed in us. As a united body of leadership, we are responsible for ensuring that we have a competent, qualified, and trustworthy management team, and we are confident that we do.

As a financial cooperative, we understand that we can most effectively serve you and strengthen the credit union movement by engaging in the vast network of organizations and service groups available. For instance, participation in our local chapter of credit unions allows us to benefit from the training, tools, and resources available through our trade association, the Cornerstone Credit Union League, whose purpose is to support our endeavors and, by extension, our members.

I'm very pleased to announce that again this year Texas Telcom is a well-capitalized financial institution, with a strong net worth ratio of 15.63 percent. To put that in perspective, a net worth position above 7 percent is considered well capitalized by our regulators.

Though the credit union needs to make a profit to keep the doors open, our sole interests are our members' interests, and whenever we can, in keeping with our credit union mission, we will distribute profits back to you. For 2019, we generated \$642,394 in net income, of which \$636,043 was paid back to the members in the form of dividends or interest on deposits.

In closing, I'd like to express my deepest confidence in the leadership of Ms. Toler, the wisdom and guidance of our esteemed board of directors, the commitment of our dedicated staff, and the support and loyalty of our member-owners. We look optimistically into the future because Texas Telcom is well positioned to face any challenge and seize any opportunity that presents itself in 2020.

Thank you, ladies and gentlemen. I wish you and your families the very best in 2020. Michael Robbins

Chairman of the Board

PRESIDENT'S REPORT

Good evening and welcome to the 2020 Annual Meeting of Texas Telcom Credit Union. I'm delighted to be here with you at our 67th annual meeting.

Let me tell you a little about the state of our industry. Texas has 446 credit unions with more than 9.1 million members and total assets of more than \$107 billion. These figures reflect a robust and healthy credit union system, of which Texas Telcom is a part. As of December 31, 2019, total assets were \$54,400,396, total outstanding loan balances were \$26,321,921, and total reserves and undivided earnings were \$8,501,093. During 2019, our net worth increased to 15.63%, which indicates that TTCU is a well-capitalized credit union.

Because of our cooperative business model, we are able to return profits to our members in the form of competitive rates, new products and enhanced services to make it easier for you to reach your financial objectives. In 2019, we returned \$636,043 back to our membership in the form of dividends or interest on deposits.

Our credit union's founders opened for business in 1952 with 17 members listed on the original charter. As of December 31, 2019, we had 3,567 members. We are proud of how far we've come, and I know our many accomplishments would not have been possible without the ongoing energy, optimism and commitment of everyone involved in the operation of this credit union, including our Board members, Committee volunteers and staff.

From a business perspective, your credit union will resume its trajectory forward and upward in 2020, with our focus finely tuned to the things that really matter to our members. As such, we will continue to bring our "people helping people" mantra to life in a number of ways that will help not only our members, but our communities.

Our commitment to community involvement is just one of the things that make credit unions different from other financial institutions. Some of our community activities in 2019 included: Candy sales to support the credit union Political Action Committee ensuring member voices are heard, collecting spare change for CU for Kids, donating and collecting toys for the Toys for Tots campaign and sponsoring community events at the Dallas Arboretum. And for 2020, so far, we have added: Sponsoring Financial Education for 6 area schools and for the community as a whole, and sponsoring a Community Shred Day.

As we move into 2020, we promise that Texas Telcom Credit Union will continue to grow responsibly while listening and responding to your needs. Our member-owners are integral to our credit union family, and we are sincerely grateful that you've chosen Texas Telcom as your financial partner. We wish you a healthy and prosperous 2020.

Thank you. **Pam Toler** President/CEO
